In reply to the Notice of Non-Compliance pertaining to the amendment filed January 2, 2004, applicant notes that the notice indicates failure to list all of the claims. However, all of the claims are listed. The notice further indicates failure to include the text of withdrawn claims 1-7. Applicant notes that claims 1-7 are correctly indicated in the Amendment as being cancelled. Since the text of cancelled claims is not to be included, the claim listing in applicants Amendment is in compliance with 37 CFR 1.121.

For the reasons discussed above, the Amendment filed January 2, 2004 is compliant. Accordingly, applicant requests withdrawal of the finding of non-compliance and appropriate entry of the Amendment.
